

# Speedreading Plus Condensed Courses

## Your Competitive Edge

This course includes techniques for speedreading email, newspapers, journals, and novels as well as learning techniques for mastering technical Documents and textbooks. The Notetaking techniques also help with organizing information for exams, lecture notes and presentations.

### In just 3 half days you will learn to:

- Instantaneously locate specific information—no more wasting time on what you don't need
- Triple your reading speed (*or more*) on general information
- Efficiently master technical information and have notes for finals, reports and papers
- Increase reading speed and comprehension.
- Decrease mind-wandering, boredom, and fatigue.

### Testimonials from recent graduates:

"I like the variety of speed reading methods/techniques we learned so that you can apply the appropriate method to the current situation. A lot of good information..." *Janice Pryor, Finance Manager Nationwide.*

"I was surprised at the progress I made in one weekend. I can't believe I doubled my comprehension and raised my speed over 2000 words per minute." *Dan Buchan, Student*
