Reading Faster to Understand More Real Instruction—Real Results

Your Attendees Will Learn Practical Techniques To:

- Instantly screen material for its value.
- Use the techniques speedreaders use to rapidly absorb internet information, books publications, correspondence, E-mail and memos.
- Realize an immediate 20% to 200% gain in reading efficiency for general information. (Gains depend on length of workshop chosen.)
- Dramatically increase this gain upon further practice.
- Layer the information they absorb for enhanced speed, recall, and retention on detailed as well as general information. (Depends on workshop chosen.)
