"An important course done very well. Excellent learning tools. The note taking is the most logical one I've run across. I'll use the zigzag to help with speed and eye strain. Bonnie clearly loves what she does"

- Lyle Crews, US Air Force

"I increased my ACT reading score by 6 points and I will probably get a scholarship"

- Kelly D, Desalles HS student

"Kudos for the instructor, Bonnie James. The course was given in an easy to learn professional environment. Reading speed and comprehension improved 10 fold. I wish I took this course 20 years ago. This course will benefit me throughout my career. You may use me as a reference."

-Bill Dionne, Special Agent, DEA
